

## Get Ready for Flu Season with Neighborhood Health Plan (NHP) Flu Clinics

### What is a company-sponsored flu clinic?

A company sponsored flu clinic is an event during which the employer group hires certified nurses to set-up an on-site “clinic” to offer their employees an opportunity to become immunized without having to leave the office. The CDC recommends a yearly flu vaccine as the first and most important step in protecting against flu viruses.

NHP offers on-site flu clinics through a third-party vendor, [HealthWatch](#).

### When are the flu clinics scheduled?

To set up a flu clinic, [HealthWatch](#) requests a minimum of three weeks lead time to guarantee preferred dates and times.

### How much does it cost?

NHP members should review their benefit plan to determine coverage for flu immunizations and bring their ID card to the clinic. The cost for non-covered employees is **\$25.00** per shot.

[HealthWatch](#) will administer 12 shots per hour for a minimum of 50 employees.
