

## **Benefit Strategies Released a Mobile Application for Android and Apple Phones**

As an HR Knowledge client and Benefit Strategies participant, we want to encourage you to share this information with your employees. The mobile application gives you fast and no-fee access to your account information, while utilizing your mobile device built-in functions to provide you a more streamlined, efficient experience. Enjoy the convenience from your mobile device - wherever you are!

The new mobile application enables participants to do the following:

- View HSA, FSA, and HRA account balances and details
- View personal information
- View and manage notification subscriptions
- Track expenses
- Submit healthcare account claims
- Send receipts

### **From your Android:**

Search and download the mobile application by typing "Benefit Strategies" into the Google Android Marketing.

### **From your iPhone:**

Search and download the mobile application by typing "Benefit Strategies" into the Apple App Store.
