Fast-Growing HR Knowledge Signs Four New Charter Schools

HR Knowledge represents dozens of charter and independent schools across the Northeast

Boston, MA, April 9, 2013 – HR Knowledge, Inc., a rapidly growing provider of payroll, benefits brokerage and HR consulting services to clients throughout New England, is proud to announce that it has added four new charter schools to its roster of charter and independent school clients.

Charter schools are turning to HR Knowledge because the company has the expertise to address the specific payroll, HR, MTRS retirement and benefit challenges that charter schools encounter. The company works with charter and independent schools across the Northeast, providing retirement management and expertise, group benefits support, specialized reporting and audit support, and human resource services.

As part of its ongoing support of this industry, for the third consecutive year HR Knowledge will exhibit at the National Charter Schools Conference, June 30 – July 3, 2013 in Washington D.C. This event is the largest gathering of the charter school movement with over 4,000 participants from around the country gathering to learn, connect and share ideas.
