HR Knowledge, Inc. Marks 10 Years as a Leading Provider of Outsourced Human Resource (HR) Services

Boston, MA, October 30, 2012 – HR Knowledge, Inc. is celebrating 10 years as a leading provider of integrated human resource (HR) services to clients throughout the northeast. Headquartered in Mansfield, Massachusetts, the company was established when outsourcing pioneers Jeffrey C. Garr, Ken Bettenhauser, and Dan Hughes merged their respective businesses to form a single entity that combined their expertise in customer service, HR benefits, and finance. The partnership resulted in the launch of HR Knowledge, a business process outsourcing firm that provides clients with integrated, best-in-class HR services at an affordable cost. Supported by high-touch customer service, HR Knowledge combines the following capabilities under one roof: human resources, such as compliance, training and risk management; group benefits; payroll processing; and financial services, such as 401(k) plans and individual life insurance policies.

“Reaching 10 years is a great milestone for us and our clients,” said Jeff Garr, CEO of HR Knowledge. “When we began this venture, we were at the forefront of HR outsourcing, and through our continued commitment to service as well as to the advancement of the industry, we have maintained our leadership position. We are proud that our clients have remained loyal partners with us for a full decade.”

HR Knowledge primarily serves clients that have limited or no internal resources to address the vast array of complex HR issues. The company’s signature “concierge-level client service” has helped position HR Knowledge as a leading provider of outsourced HR for, among others, small- to mid-sized businesses, nonprofits, charter and private schools, and high tech companies. Illustrating the company’s rapid growth, HR Knowledge has added seven employees in just the last six months.

To commemorate its anniversary, HR Knowledge will host an anniversary reception on November 1, 2012. The company’s principals, staff, clients, and business affiliates will gather at Dedham Country and Polo Club in Dedham, Massachusetts for an evening of cocktails, canapés and conversation.

About HR Knowledge, Inc.

HR Knowledge, Inc. is an administrative services organization (ASO) that provides clients with integrated, affordable HR services including payroll, employee benefits, and human resources management.
