

Hiring Process Management™

Your Outsourced Recruiting Solution

Our Hiring Process Management™ (HPM) methodology embraces the full range of tasks involved in recruiting – from crafting the job description to candidate acquisition, vetting and selection, and even negotiating the employment offer.

As companies increase their productivity to meet business goals, the demand for talent also increases. The process of identifying, recruiting, and screening new employees is multi-faceted and complex. Hiring the wrong employee can be detrimental to your company's employee morale, productivity, and bottom line.

Let our experts help you find and hire the right candidate. Our HPM service will relieve the burden of evaluating prospective employees

and give you the confidence that you are hiring the best talent for your organization, in a cost-effective and timely manner.

Whether you are looking to reduce hiring costs, expand your workforce, or a combination, HR Knowledge is a reliable and qualified partner that bridges the gap between your workforce needs and the best talent your industry has to offer.

For most businesses, finding, screening, recruiting, and hiring the right candidates can be a daunting task. Our HPM service will free you from 90% of the "heavy-lifting" that goes into filling positions in your organization, leaving you with more time to focus on your business' day to day needs.

A Solution for Your Unique Business

Our talented staffing professionals have expertise and experience in the industries we staff.

Hire the Right Fit

Unlike headhunters or staffing services, we don't blindly recruit or manage a general pool of applicants.

Cut Recruiting Costs

We charge by the hour rather than a large percentage fee based on salary.

Leverage Social Referral Networks

We use social media to engage and heighten candidate reach.

Craft Job Descriptions

We carefully craft job descriptions to fit your position needs.

Analyze Resumes & Applications

Our knowledgeable staff has years of experience in vetting and selecting top-notch candidates.

We Help You Define and Follow a Proven Hiring Process

We use a hiring process that attracts candidates who are the right fit for your company's overall goals.

Candidate Acquisition

Our experienced recruiters will conduct proactive sourcing to find you the best talent.
