

YOUR PAYROLL SOLUTION

Unlike our competitors, we are more than just a “modern” payroll software offering — we actually process your payroll! We offer our clients the most advanced payroll system and HRIS technology in the marketplace, which seamlessly integrate with our HR and benefit managed services.

This holistic approach relieves you of these administrative burdens while making sure you stay compliant with the ever-changing regulatory environment. Customized to fit your organization — we can scale with you — from 1 employee to 1,000.

#WeArePayroll

We become your payroll expert who never takes a sick day and always picks up the phone.

IT'S TIME TO SIMPLIFY PAYROLL.

MANAGED PAYROLL

Payroll and tax regulations can be nuanced and complex. With HR Knowledge as your payroll partner, you gain access to our payroll expertise and advanced technology. With varying tax rates, differing benefits and coverage, and voluntary withholdings, it can be tricky to get it right. When you invest in our Managed Payroll services, your employees get paid correctly and promptly, every time.

EMERGENCY PAYROLL

When setbacks happen such as staff on leave or unexpected resignations, and you need a last-minute payroll support service to bridge the gap, we'll make sure your payroll needs are fully taken care of.

DEDICATED PAYROLL EXPERT

Rely on your dedicated Payroll Expert to get you all the help and expertise you need, when you need it. That's right, a live person answers the phone when you call. Try that with software.

REPORTING & BENCHMARKING

Make the most of your workforce data. Our comprehensive online reporting gives you custom payroll, HR, talent and benefits reports.

CONCIERGE-LEVEL SERVICE

You and your team will enjoy our unparalleled concierge-level service, which helps make HR Knowledge a leader in our industry.
