## Delta Dental Offers Relief During the COVID-19 Pandemic

### Background

Delta Dental is committed to providing their members with accurate, reliable information about the latest access to health care services in response to COVID-19, acknowledging the personal, financial and business challenges that are faced during this unprecedented time.

### Summary

Delta Dental understands that with dental offices being closed for all visits, not including emergency procedures, its members have not been able to take full advantage of their dental benefits. Due to these circumstances, Delta Dental would like to provide comfort to their members by offering credits on a portion of premiums paid by insured employer groups.
