# OFCCP Extends Deadline to File Responses to EEO-1 FOIA Notice

## Background

The Office of Federal Contract Compliance Programs (OFCCP) has received a [Freedom of Information Act \(FOIA\)](#) request seeking federal contractors and first-tier subcontractors to disclose Type 2 Consolidated EEO-1 reports. In June of 2022, the request was amended to include all data submitted by federal contractors and first tier-subcontractors spanning from 2016 through 2020. As of August 19, 2022, [Notices](#) of this request were sent to all federal contractors and first tier-subcontractors.

## Summary

The OFCCP believes the disclosure of confidential commercial information may fall under protections from Exemption 4 under the Freedom of Information Act (FOIA). The OFCCP is requesting all federal contractors and first tier-subcontractors to review the request and determine whether the information would include any *'trade secret, commercial or financial information that is privileged or confidential.'* If the information is privileged or confidential, the federal contractor or first-tier subcontractor should file an objection to

this disclosure initially by September 19, 2022.

Most recently, the OFCCP has granted an extension for filing objections to October 19, 2022, allowing federal contractors and first tier-subcontractors more time to properly review and submit objections. The OFCCP has created a [Response Portal](#) to submit objections.

The OFFCP will review all submitted objections to evaluate whether the requested information does include any *'trade secret, commercial or financial information that is privileged or confidential.'* If an objection is not submitted, the OFCCP will not withhold the information.

In addition to extending the deadline, OFCCP has indicated it will now be emailing contractors what the OFCCP believes is covered by this FOIA request, using the email address provided by contractors that have registered in OFCCP's Contractor Portal and the email addresses provided as a contact for the EEO-1 report. This email will be provided in an attempt to assist contractors.
